RESPITE CARE

Respite Care & Short-term
Accommodation

You may be interested in Respite Care if you:

- Need a break from caring for a participant
- Are unable to care for someone for some time
- Are looking to do more activities
- Build some new skills
- Would like to practice living independently.
- Are looking to get away from home for a short period of time.

You may benefit from a short time away from home by:

- Making some new friends
- Developing new skills
- Living independently away from home
- Have the opportunity to try something new

DURING YOUR TIME WITH US

Whilst you stay at one of Melbourne Disability Services's respite facilities or accommodation we have arranged for you, you can expect:

A great experience!

Five star Accommodation!

All your meals and snacks catered to, including some take out!

To be actively involved in creative and fun activities

Access to reliable and available transport so you can get around.

When engaging in respite care, we believe that your time away from home should be a positive and beneficial experience, which is why Melbourne Disability Services takes time in planning your stay with us so we can provide accommodation that is suited to you, arrange the activities that you are interested in and promote capacity building that will support your independence.
